

# OUR PARK, OUR PLACE

## ARBOR PARK COMMUNITY EVENTS PROGRAM

**Sunday  
2 May**

### Verge Makeover Demonstration & Plants to Residence Launch

Want to install a verge garden but not sure how? Come down and watch as a verge is transformed in front of your eyes. To be in the draw to be the lucky homeowner to have their verge garden made over please see the details on the back of this flyer.

**Sunday  
13 June**

### Habitat Gardens Workshop

Learn all about native bees with Kit Prendergast 'the Bee Babette' and how to attract them into your garden.

**Sunday  
20 June**

### Community Planting Event

Come get down and dirty with the team as we work together to implement your ideas for greening Arbor Park!

**Saturday  
11 July**

### Art and Culture Workshop

Get creative as you paint and draw inspiration from patterns in nature and our cultural heritage.

**Saturday  
24 July**

### Community Planting Event

**Sunday  
8 August**

### Community Planting Event

**Sunday  
24 October**

### Arbor Park Community Day

Join us in the park to celebrate the year's achievements!

Keep an eye out on the project page for more event details

# Verge Garden Makeover Competition!

As part of the Our Park, Our Place project we would like to offer one lucky household the opportunity to receive a free native waterwise verge makeover.

To be in the running, we ask you to please send through your submission with the below information to [rebecca.cooper@bayswater.wa.gov.au](mailto:rebecca.cooper@bayswater.wa.gov.au).

- **Your name**
- **Your address**
- **Your contact details (phone and email)**
- **The dimensions of your verge**
- **A photo of your verge currently**
- **In 50 words or less explain why you would like to have a native waterwise verge garden**

As a part of this makeover, we will plan for a workshop on the day inviting the community to come along and see the waterwise verge garden unfold and ask any questions while it is happening.

We look forward to receiving your submissions before the **10th April**, and seeing you at some of our events this year.
